## How I manage my most common clinical problems

Michael Lappin D.V.M., Ph.D. Dipl. ACVIM

*Professor of Medicine*

*Colorado State  
University*

Gary Oswald D.V.M., dip. ACVIM

*Tampa Bay Veterinary  
Specialists*

Howard Seim D.V.M., dip. ACVS

*Professor of Surgery*

*Colorado State  
University*

One of the favorite vacation locations on the Atlantic Ocean. Whether you come to golf, play tennis, relax on the beach or hit the water- there are plenty of activities for everyone after the seminars are completed each day. We have selected the Hilton Resort because of its location on the beach, within easy reach of all that Myrtle Beach has to offer.

Accommodations- recently completely renovated

## **The seminars**

# **How I manage my most common clinical problems**

**In practice, you often have questions about cases that you are managing. We have designed this seminar to provide you with answers to many of these common clinical questions.**

**I have asked the speakers to discuss the management of the most common problems that they see in clinical practice. This seminar has been designed to present the most current information on the diagnosis and treatment of many common diseases and disorders that you are commonly asked to manage in your patients. The main emphasis of the seminars will be to give you practical information that you can readily utilize in your practice- along with providing information on the current treatments being offered at the referral centers.**

**Only the most critical information will be presented on each topic to maximize the material you take with you to your practice. Drs. Lappin, Oswald and Seim are internationally recognized experts in their fields and lecture extensively throughout the world. Because of their involvement with busy veterinary centers, Mike, Gary and Howie approach clinical problems very practically.**

**Michael Lappin D.V.M., Ph.D. Dipl. ACVIM**

*Professor of Medicine*

*Colorado State  
University*

**Gary Oswald D.V.M., dip. ACVIM**

*Tampa Bay Veterinary  
Specialists*

**Howard Seim D.V.M., dip. ACVS**

*Professor of Surgery*

*Colorado State  
University*
